REVEILLE

Newark Senior High School
Newark, Ohio

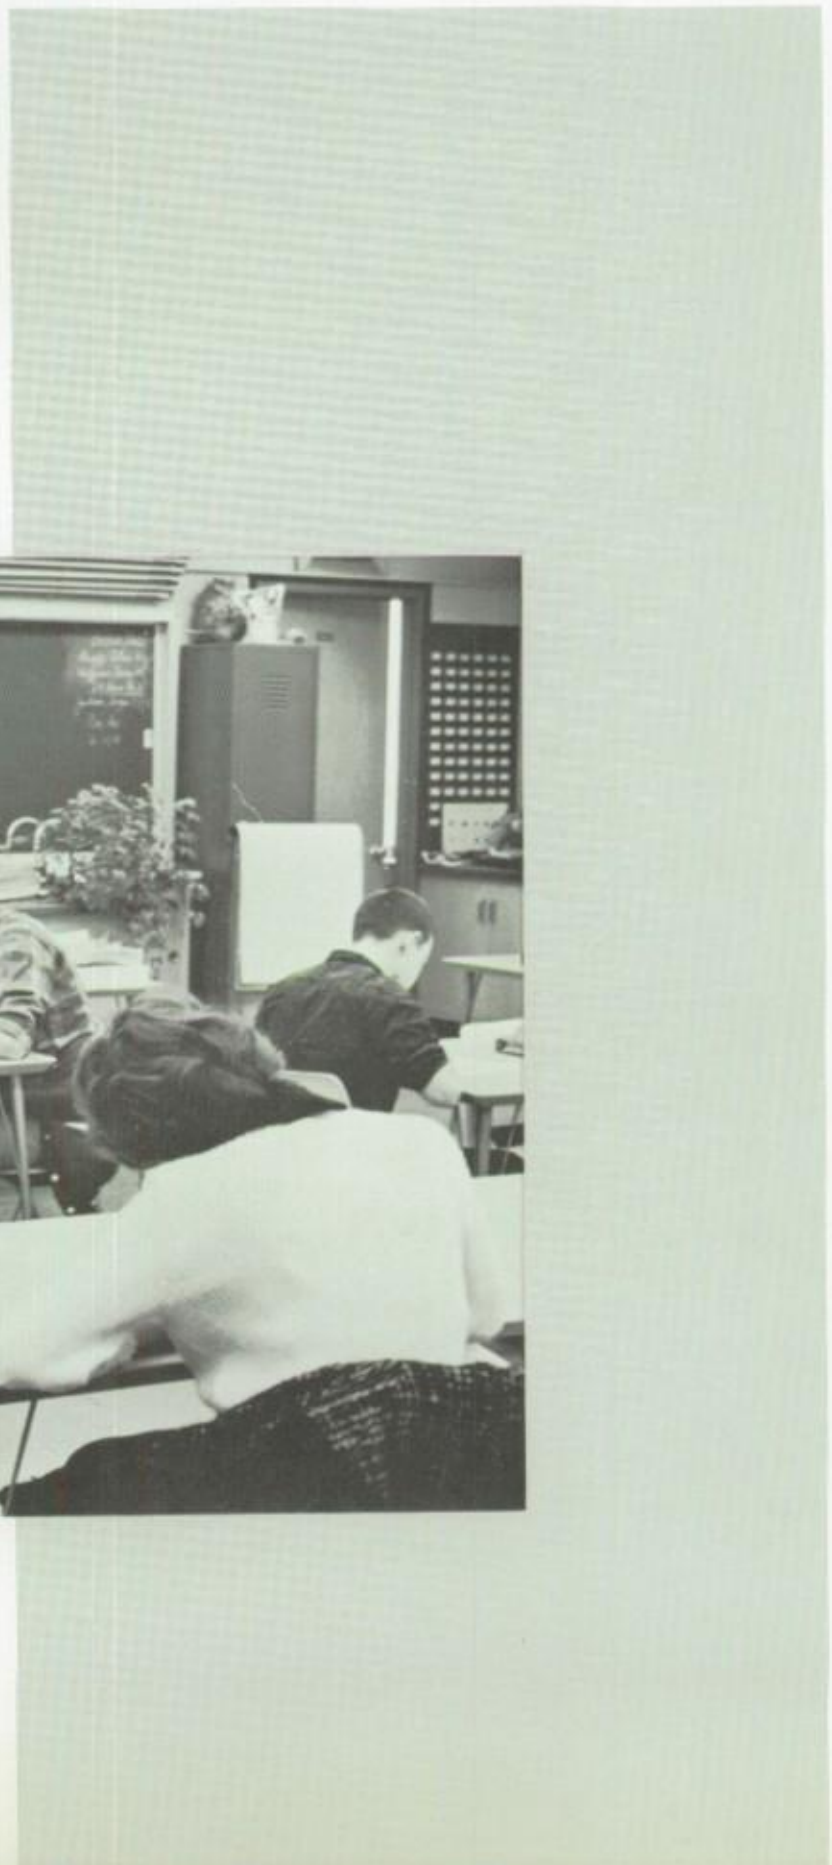

through experience with
modern equipment,

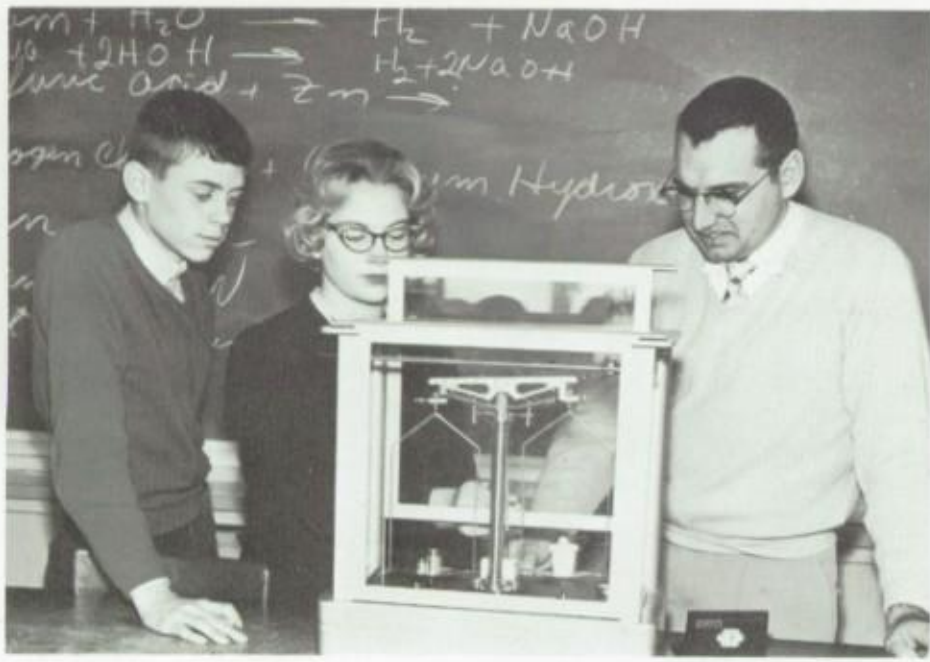

and through practical application.

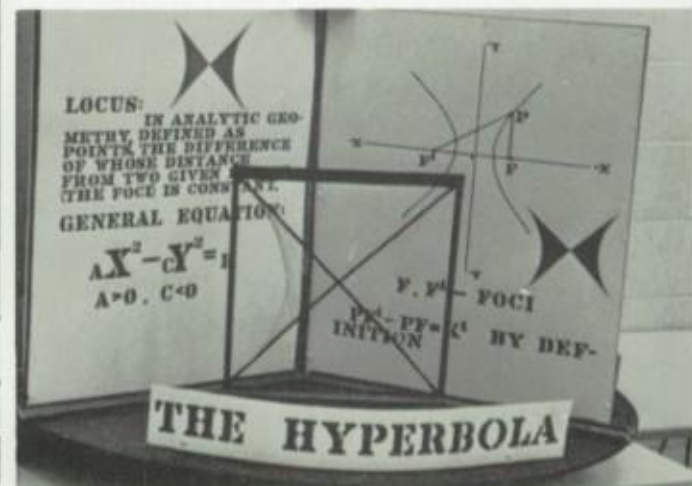

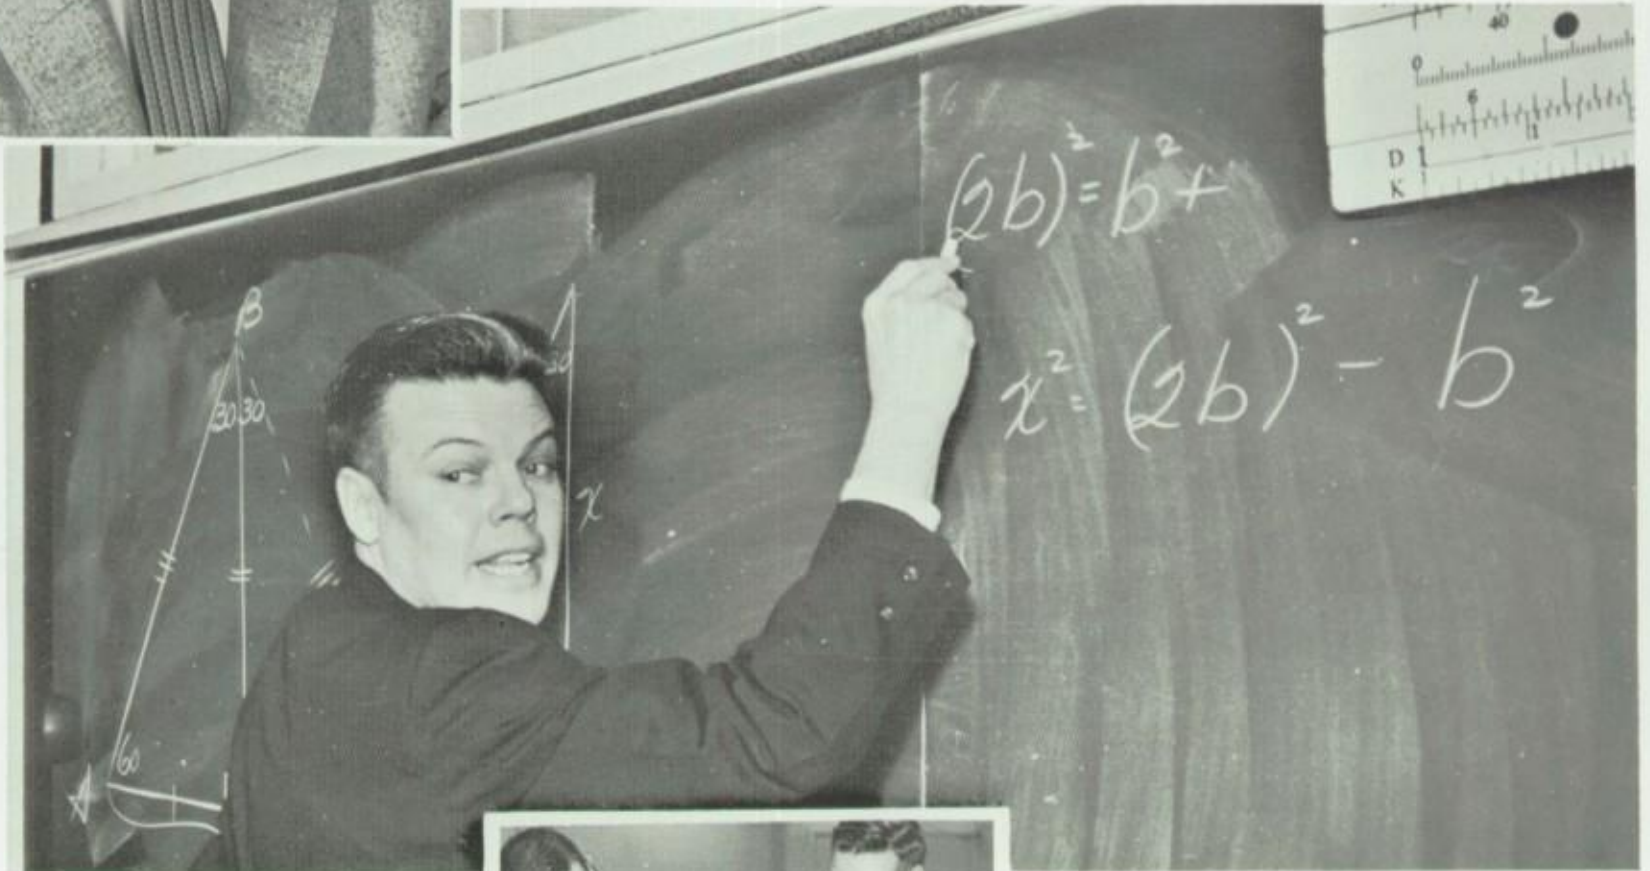

Personal instruction and modern teaching techniques make learning easier and more interesting.

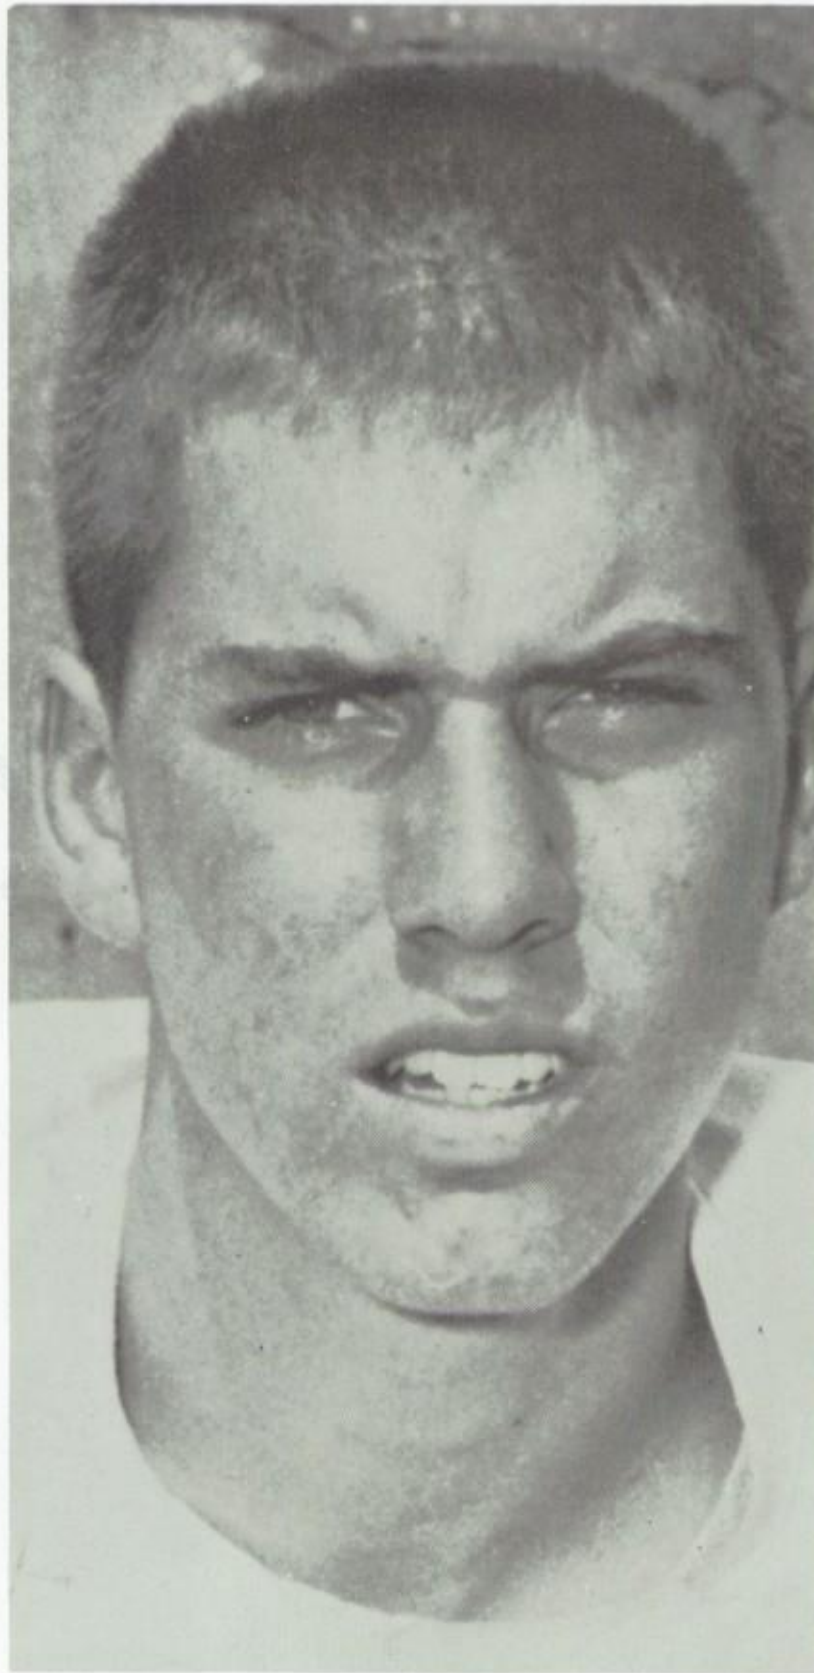

Dedication

The Annual Staff dedicates the 1963 Reveille to Mr. Wilbur R. Powers. He has done much in promoting mathematics in the Newark Public Schools as well as in the State of Ohio. One of his greatest pleasures is the Math Club, Mu Alpha Theta, of which he is adviser.

In Memoriam

Members of the Faculty and Students of Newark High School:

Once again tragedy has struck our campus and has removed from our midst one of our students.

Roger Van Steenbergh was fatally injured in an automobile accident Saturday night, October 13, 1962, on Sharon Valley Road.

Words are designed to be used as effective means of communication but they are woefully inadequate to convey what we would have them convey at a time like this.

Roger was a well-mannered, well-behaved and well-liked young man. He was striving diligently and honestly to fulfill the high expectations that his family held for him and to realize those ambitions that we who were associated with him here in school expected for him.

He had been a member of a baseball team. He was a member of our football team. He will be sadly missed by his team mates.

He will be sadly missed by students and faculty here at school.

They tell us that night is the most joyous part of the day. It is a time of homecoming after a hard day's work. Night is the time for rest and for sleep. So it is with death. It is life's night. It is a rest from labor.

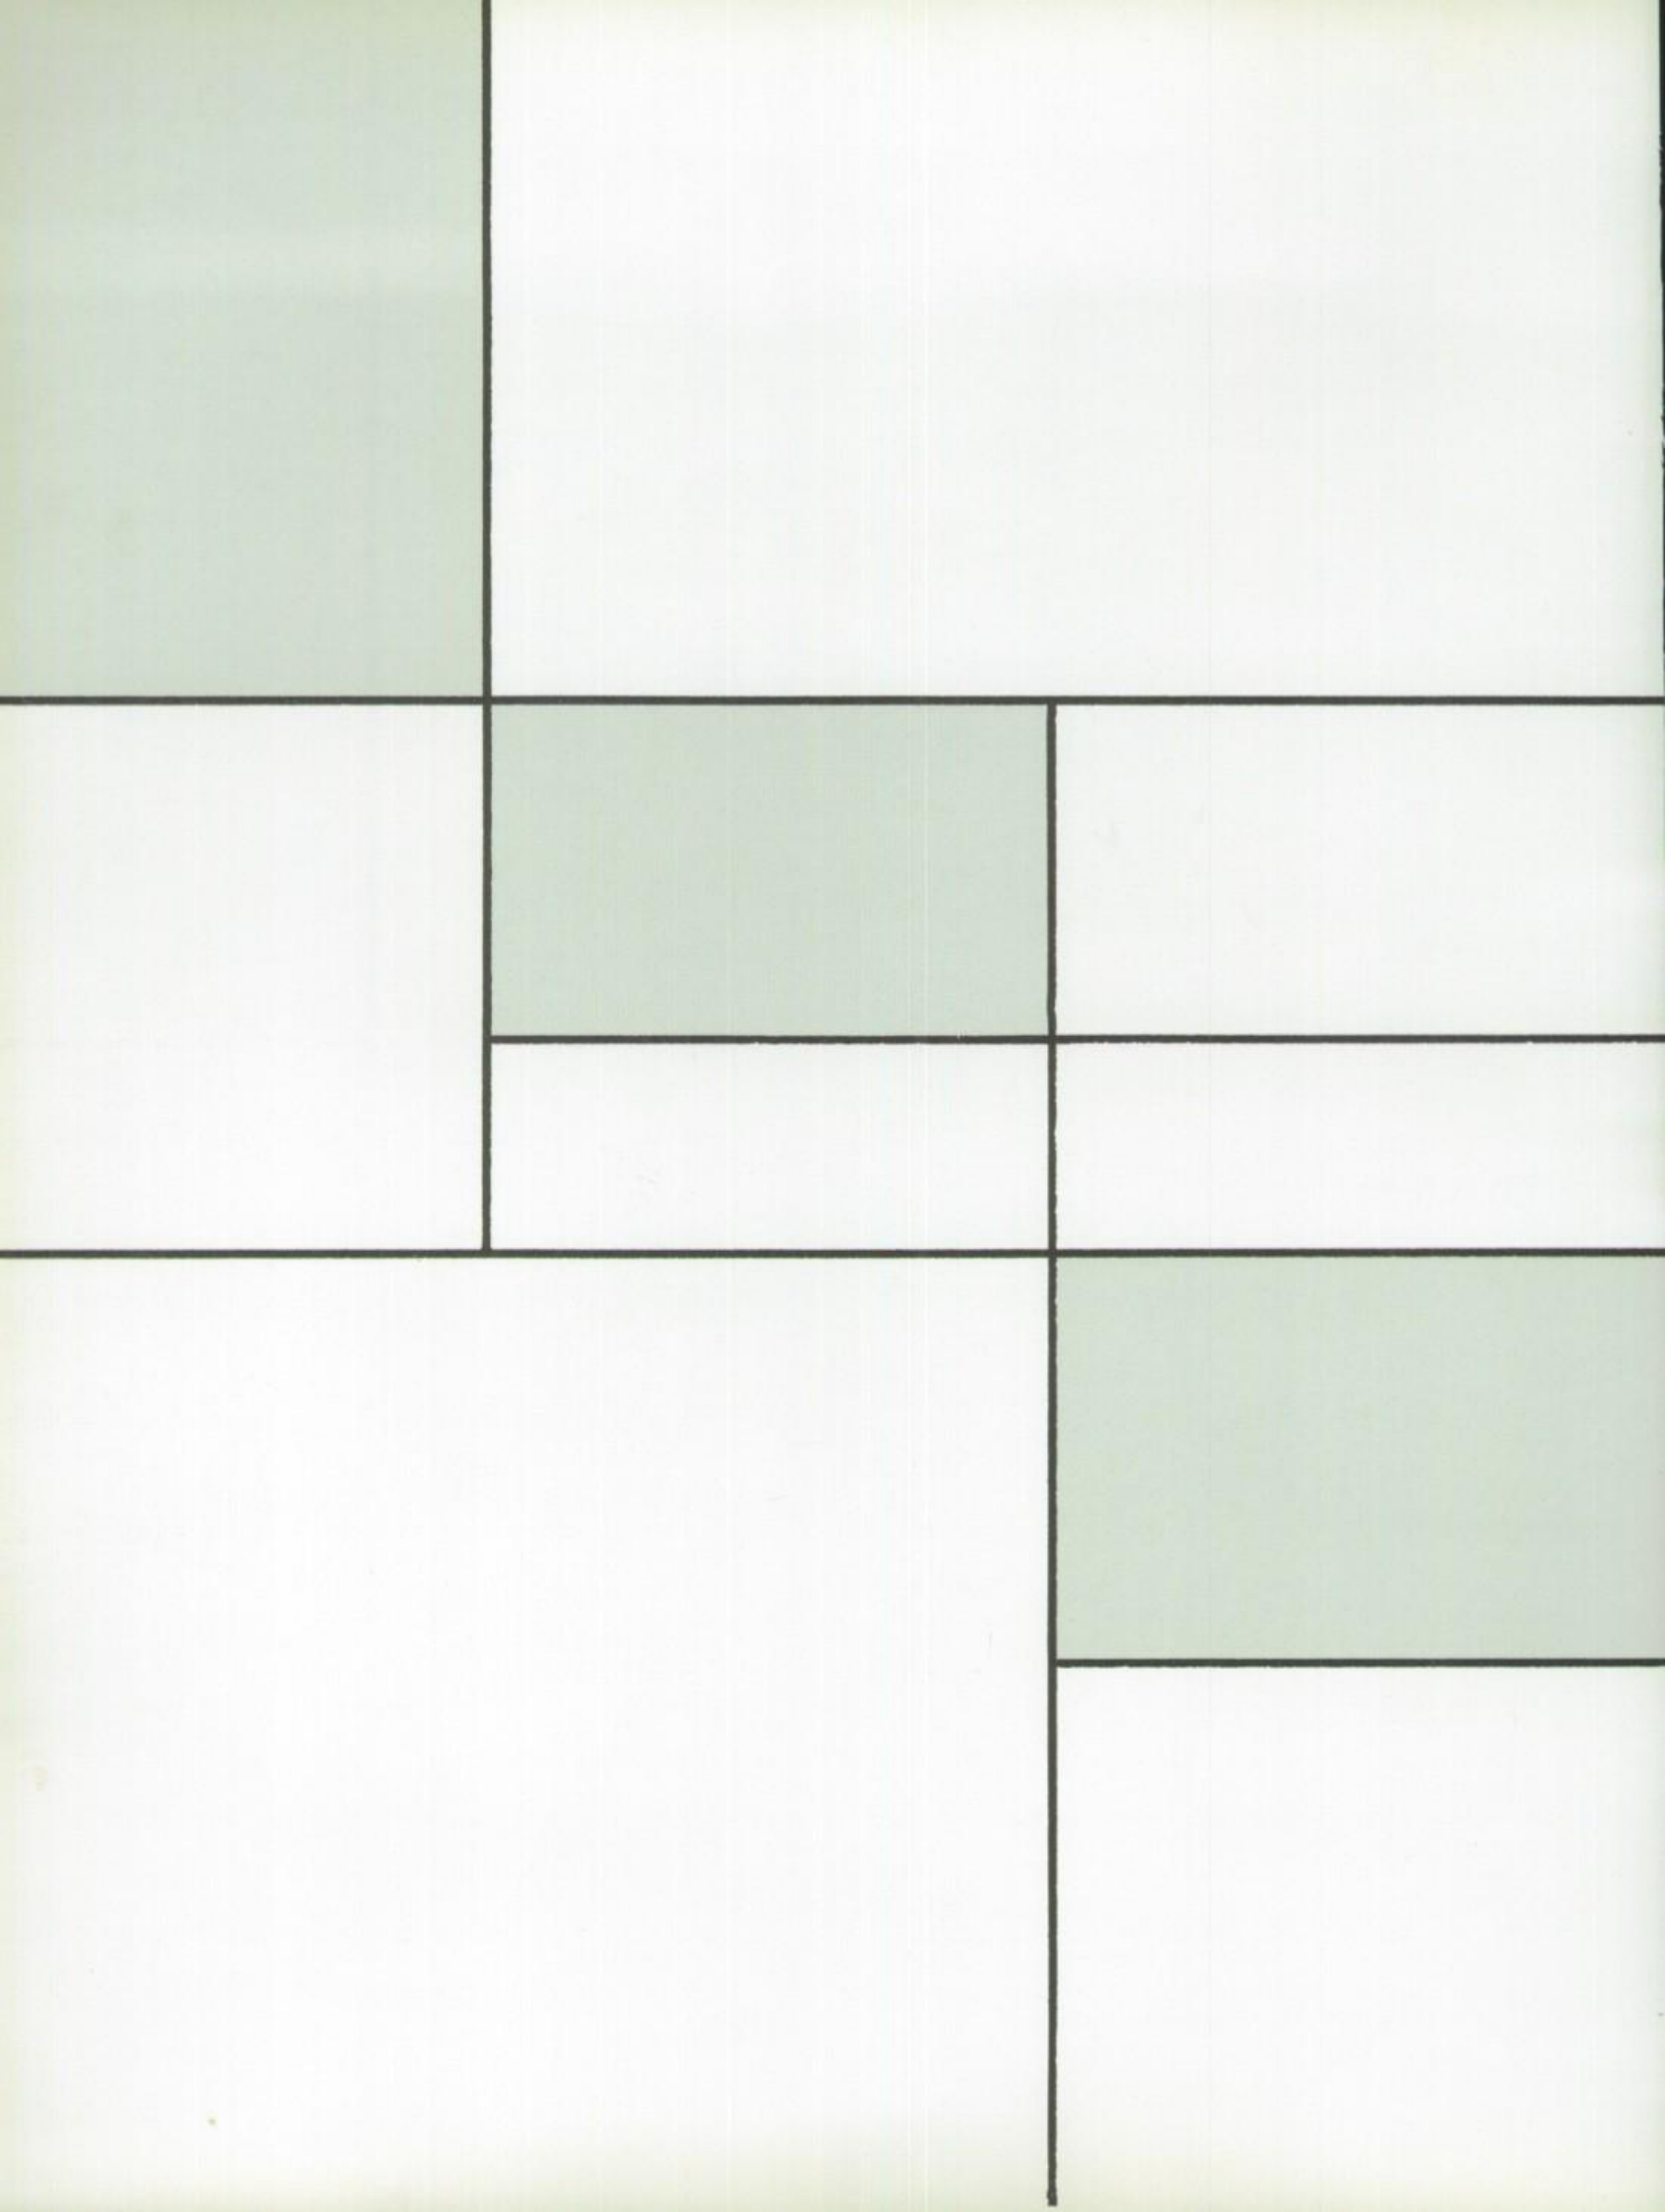

Roger's day on this earth encompassed a short sixteen years. Who is there to say that he had not lived it richly and fully?

So Roger's night has descended upon him and he has gone home to his eternal rest.

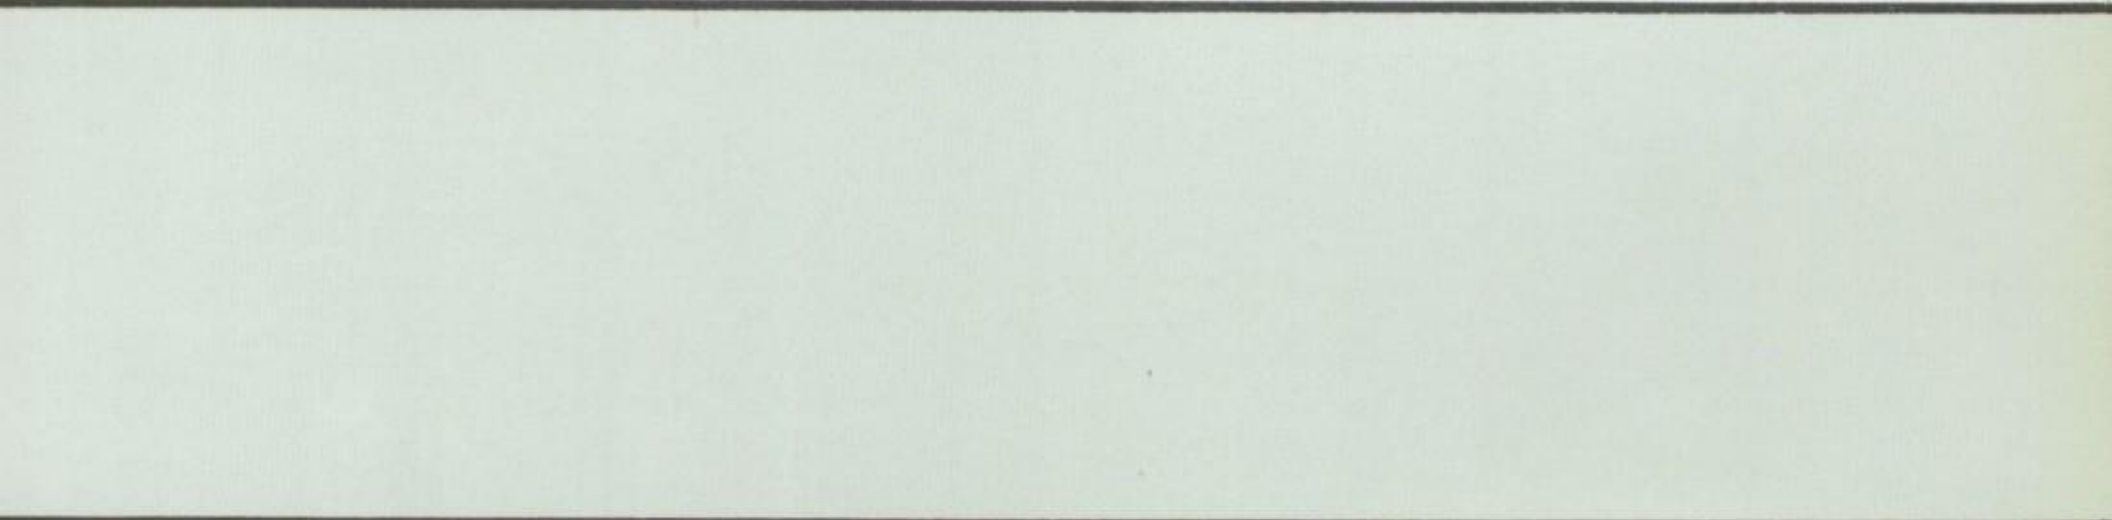

To his family and friends we extend our heartfelt sympathy.

May we again observe a moment of silence.

— Robert W. Barclay

FACULTY

Superintendent

Being superintendent of the Newark Public Schools is certainly no easy task, but Dr. Southard handles this position with complete confidence and capability.

Even though his duties keep him very busy he is never too busy to give a cheery greeting. As a result he has won the friendship of both students and faculty.

Dr. Southard recently completed graduate work at The Ohio State University and earned his Ph.D. degree. The students and faculty of N.H.S. congratulate him for his splendid work as Superintendent of the Newark Public Schools.

ACTIVITIES

Commencement 1963

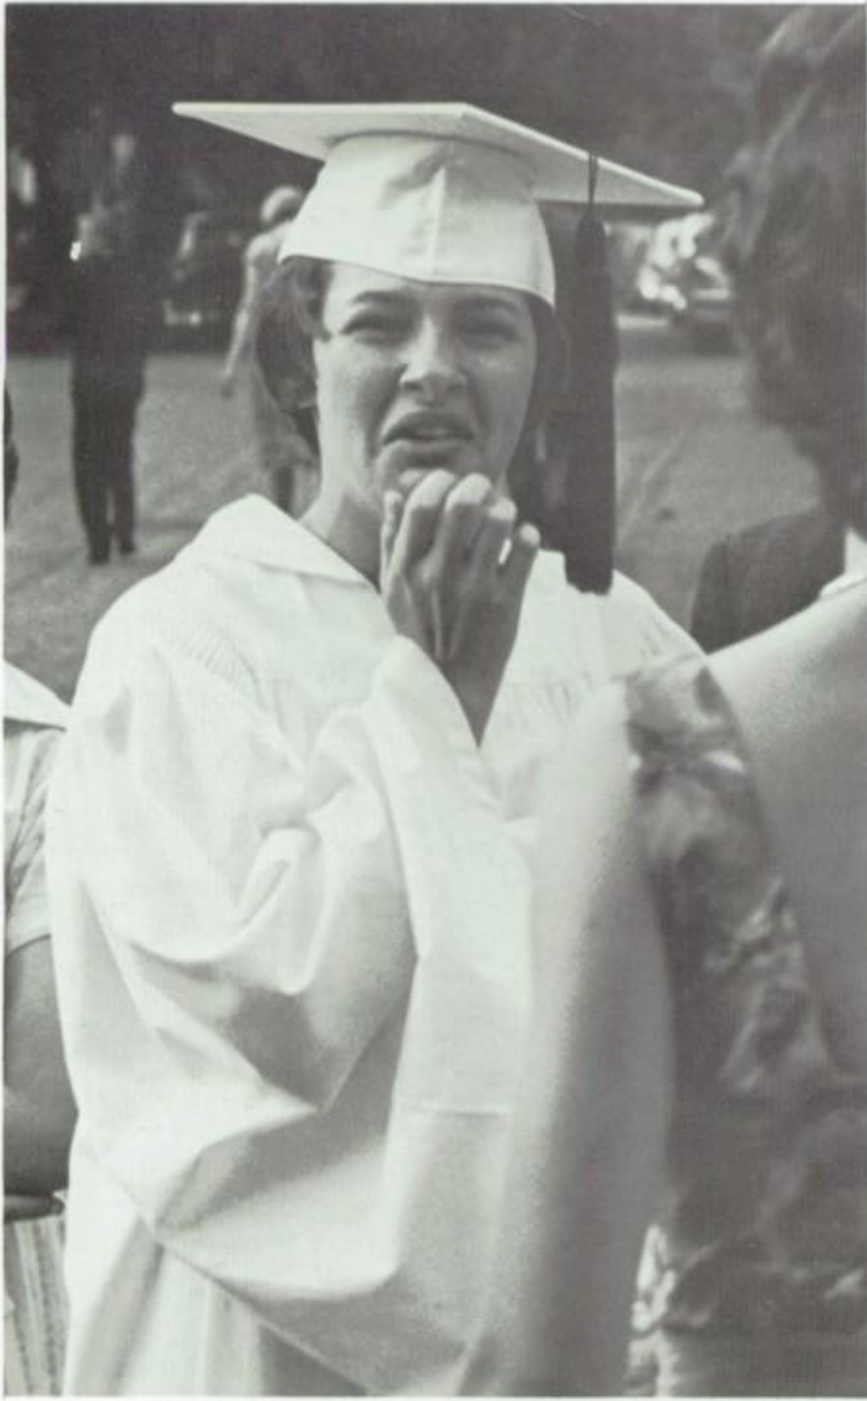

The annual Commencement exercises for Newark Senior High School were held on Thursday evening, June 17, 1962, at 6:15 P.M. The scene of the commencement was White's Field Stadium. The music was played by the Newark High School Concert Band, under the direction of Mr. Myron A. Pearce.

The graduating class walked onto the field to the traditional music of Pomp and Circumstance and remained standing for the invocation, given by The Reverend C. M. Danford of St. Paul's Lutheran Church. Following the invocation there was a short selection from the Concert Band.

The class address was given by Dr. Clarence C. Stoughton, President of Wittenburg University.

The diplomas and awards were presented to the graduating seniors by Mr. Stacy C. Conrad, President of the Board of Education.

Reverend Danford again offered a prayer for the benediction and the class left the field for the last time, to Pomp and Circumstance.

But I don't want to graduate!

But I do!

Two and a half weeks after the Prom, seniors arrived at their final week as students of N.H.S. with the traditional baccalaureate service. The service was held on Sunday, June 3, 1962, at 2:30 P.M. in the Newark Senior High School gymnasium. Graduates moved to their seats to the music of the Newark School Orchestra under the direction of Mr. Myron A. Pearce.

The invocation was offered by The Reverend Howard A. Meacham of the First Community Church of Buckeye Lake, after which the Newark A Cappella Choir, under the direction of Mr. Harry D. Mason, gave a musical selection.

The Reverend Rex C. Smith of the First E.U.B. Church was chosen to give the class address and picked as his title "The Lure of The Unattained." After the singing of Onward Ye Peoples by the Newark A Cappella Choir, the Reverend E. B. Jordan of the Trinity A.M.E. Church gave the Benediction. The baccalaureate service was ended by the Choir's singing of The Lord Bless You and Keep You.

Prom- 1963

Seniors began their long looked-for year end activities with the Junior-Senior Prom. The dance theme was Candyland Carousel and was held on May 19 in the high school gymnasium.

The climax of the dance was the crowning of Queen Pat Long by the Junior Class President, Mike Arnold. Her Maid of Honor was Miss Sara Braffett; First Attendant, Miss Mollie Scott; Second Attendant, Miss Cheryl Iden; Third Attendant, Miss Johanna Rey.

Music was provided by the Randy Nelson Orchestra.

The long walk and the big moment
for Pat!

Spring Choral Concert

We're off to see the wizard!

The Spring Choral Concert for 1962 was held May 11, at 8:00 P.M. in the Newark High School Auditorium. It was presented by the Newark Girls' Glee Club and the Newark A Cappella Choir.

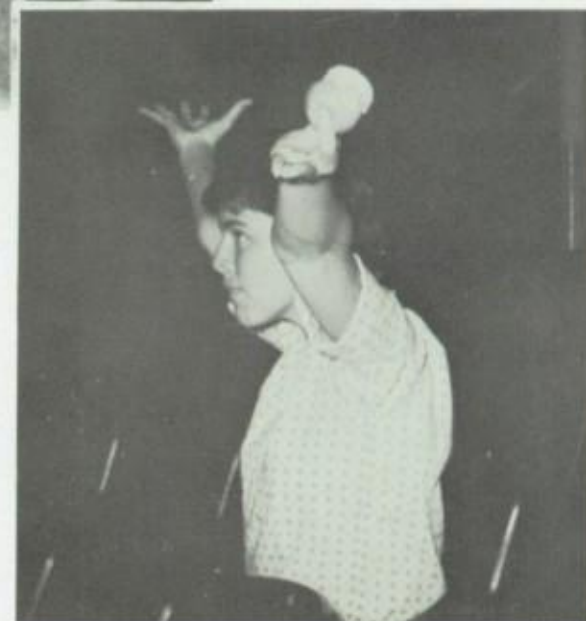

The program began with a variety of sacred music by the choir, followed by selections from the Girls' Ensemble, Boys' Octet and the Madrigal Singers.

The program continued with the Girls' Glee presenting a sacred selection and then the vivacious music from *The Wizard of Oz*.

After the intermission, the choir came back again to present Songs From Broadway. This concluded the program which made for a most enjoyable evening of color and sound.

Practice makes perfect!

Keep those arms UP! !

Carousel

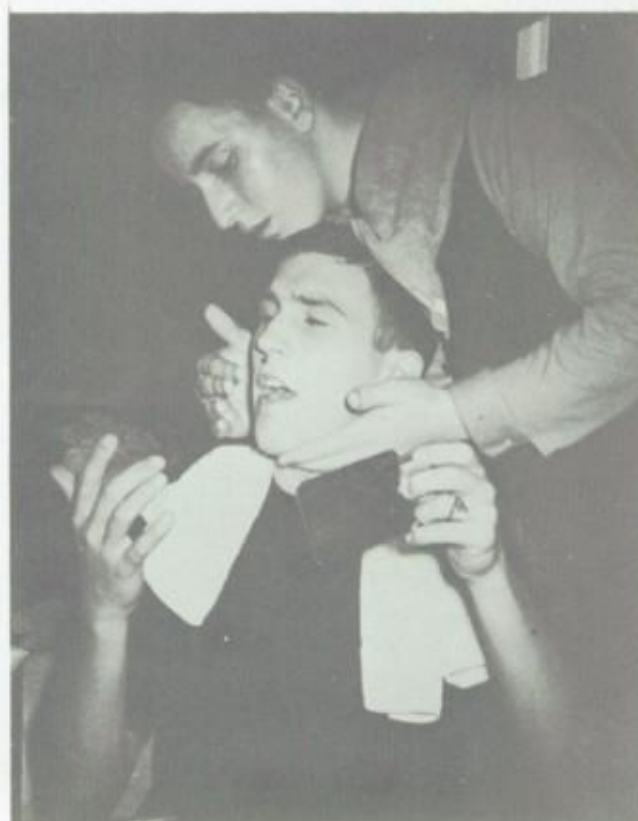

Closing Night

There's nothing quite so sad as an empty theater.
 The crowd has gone, the cast no longer can be heard.
 You strain to smell the dwindling odor of grease paint and
 powder,
 Or to hear the chatter of friendly folks.
 But none remain.
 The show is over.
 All the long weeks that went into making this night,
 They're gone now!
 All that remain are the memories.
 Memories of toil and laughter.

As you stand on the empty stage,
 You sense a great loss . . .
 You realize this happy "family" will never be again.
 Oh, there will be other plays and other memories,
 But this "family" will never be again . . .
 How empty, cold, and lonely this place seems now
 . . . On closing night!

— Jane L. Myers

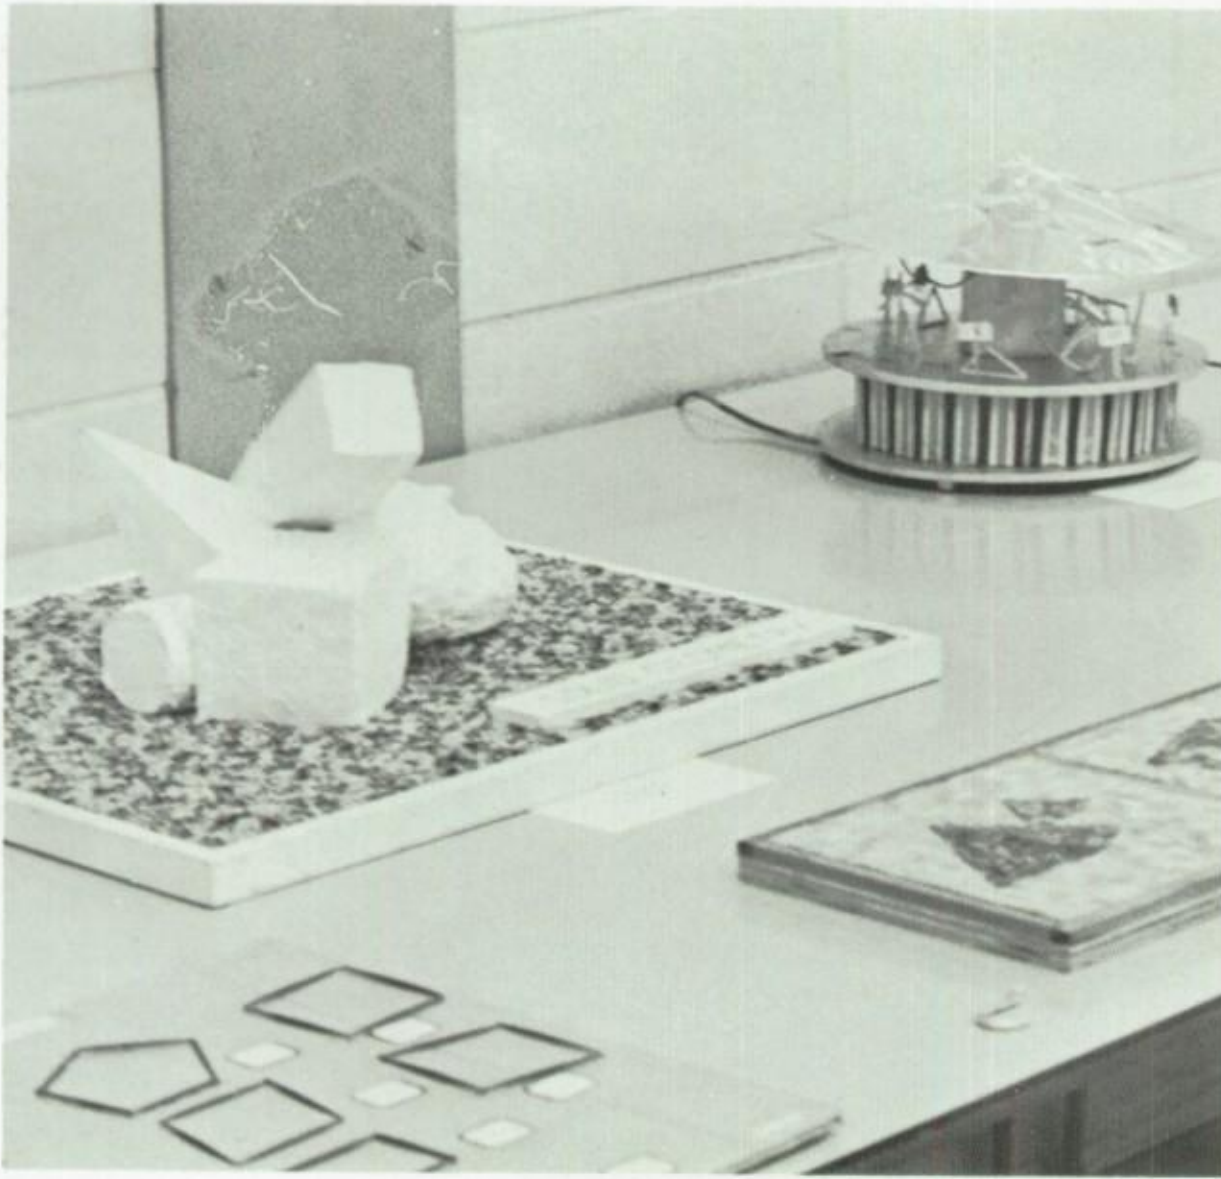

Homecoming

Rain should have been the theme of this year's homecoming, but the Student Council chose to call the theme "It's All In The Game!" And what a game it was for those who sat in the torrential rains. Our opponent was Dayton Roosevelt. They won a victory over us by 18-0. All in all the night was one of misery and sorrow!

But the following night the dance aroused the spirits. The highlight of the evening was the presentation of the 1962 Homecoming Queen and her court. Miss Barbara Symons reigned as Queen and was attended by Miss Mary Jane Evans, Maid of Honor; Linda Campbell, First Attendant; Lynne Smith, Second Attendant; and Judy West, Third Attendant.

For the '63 graduates it was their last Homecoming and one they will never forget!

Varsity Cheerleaders

Leading the crowds with cheers full of pep and spirit were the 1962-63 Varsity Cheerleaders. These familiar faces that you have seen during all football, basketball, and special events, were Janie Evans, Sharon Roberts, Barbara Symons, Lynn Kinsey, Lynn Smith, and Margie Diss. The woman working with these girls was their adviser, Mrs. Marla Gartner. The memories are unforgettable, such as aches and pains from trying "new" ideas, homemade eligibility cards, planning pep rallies, and the excitement and enjoyment of cheering for the Newark High Wildcats.

Reserve Cheerleaders

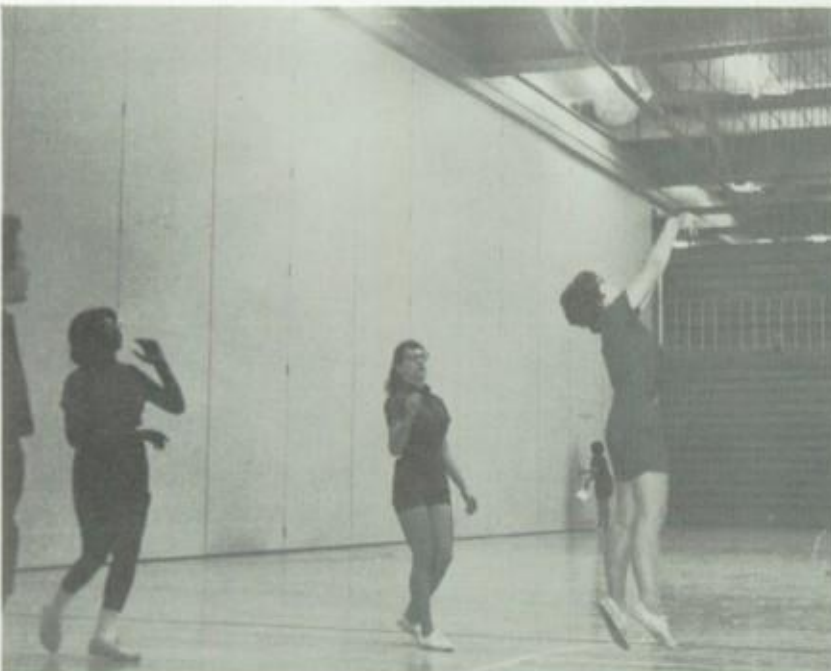

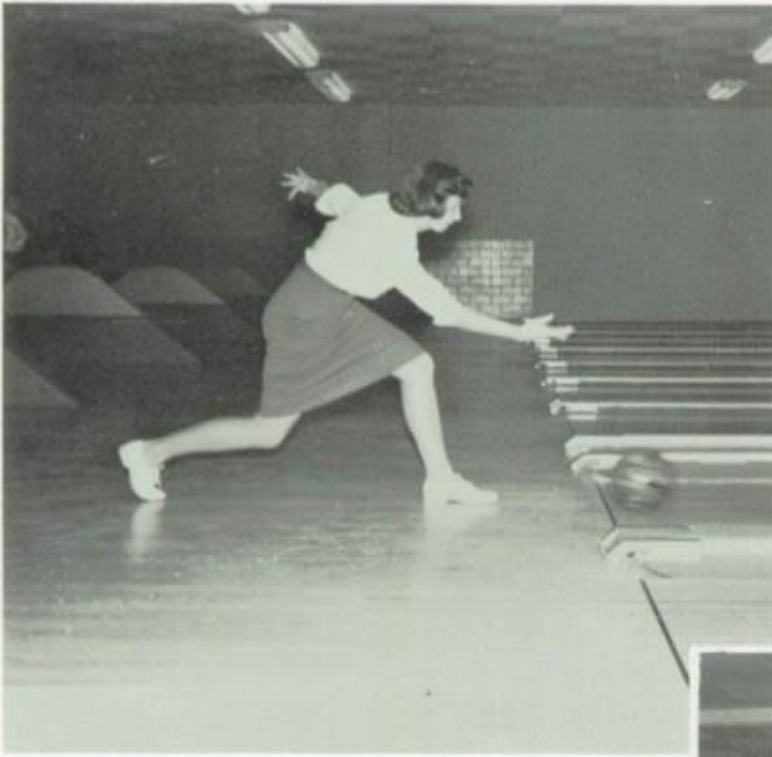

The Reserve Cheerleaders for the 1962-63 season were led by Barbara Sperry and Inga Wells, co-captains. Mrs. Marla Gartner was the adviser. During basketball season the girls enjoyed cheering the mighty Newark Reserves to victory.

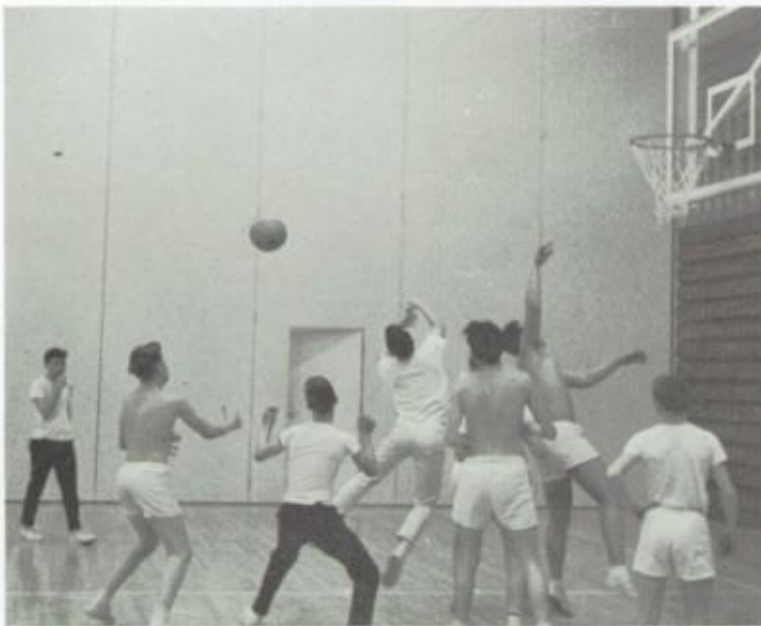

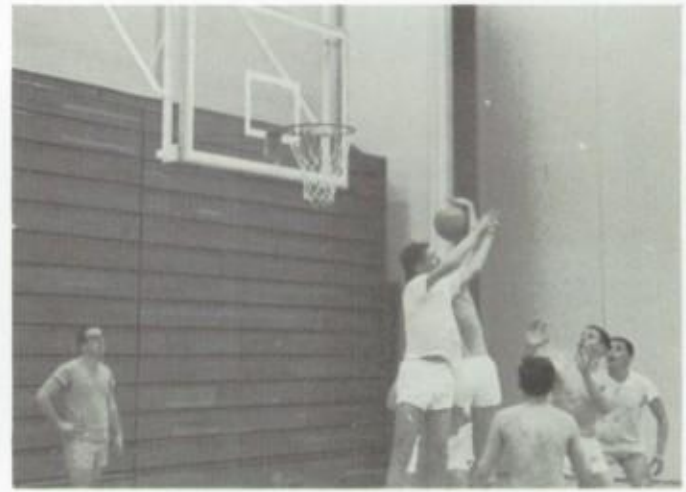

Although we were cheated out of cheering at Homecoming because of the rain, we still have many wonderful things to remember," the girls replied. When asked to recall some special remembrances, they stated, "We remember especially five cans of black olives, back seats of buses, crumbling pyramids, and above all the great Newark High Kittens."

Room 210G is the scene of much activity as the annual staff works daily in its attempt to tell the story of a school year in words and pictures. Procrastination results in panic and late hours as each deadline approaches. When the final deadline has been met, each member of the staff sighs in relief and relaxes slightly until the annuals have actually been delivered and distributed.

The staff feels a keen sense of responsibility for producing a good yearbook and regrets each error and omission. Although the staff works hard to prevent errors, they will creep in. We apologize for them and ask that each reader consider the good aspects of the book and be understanding and indulgent when considering the poor.

THE 1963 REVEILLE STAFF

Student Council

FRONT ROW: Mike Arnold, president, Pam Miller, secretary, Barb Symons, vice-president, Jim Tims, treasurer.

ROW 4: Bill Bibart, Gary Ryan, Dave Garshaw, Larry Schofield, Terry Treneff, Blair Vermilion, Larry Hunter, David Hanby, Ronald Sherwood, Dan Kuster.

Purposes of the Student Council, as stated in our constitution, are: (1) To unify all student organizations under one general control; (2) To encourage and promote all worthy school activities; (3) To give the students greater opportunities for self-direction; (4) To develop in the student a growing appreciation of membership in a democracy by providing the educative responsibilities of, and privileges of participating in, such a democracy in the school.

Some of the activities and responsibilities of Student Council are of a wide range and cover many aspects of student life.

Scholarship is a field in which the Student Council is very active. Following each six-week grading period, the Council calculates the point average of every homeroom in the school and awards trophies to the sophomore, junior, and senior homeroom with the highest point average. At the end of the year, the Student Council awards a \$250 scholarship to a graduating senior.

A great part of the social life of the student is handled by the Student Council. The Council sponsors dances after all home basketball and

football games. Each year the Student Council sponsors the "Homecoming Dance" which is the first big social event of the school year.

The beauty of our campus is another project of the Student Council. Every six weeks the Council has a "clean-up campaign" and an inspection following each campaign. After the inspection a plaque is awarded to the cleanest of the three "little schools."

The Student Council has a well-accepted "guide system." When a new student comes to our school for the first time a student council member gives him or her a guided tour of our campus. During this tour the student council member explains some of the hopes, expectations, rules, and regulations of our school. The guide also tries to make the new student feel welcomed as a new member of Newark High School. Student Council members serve as guides for P.T.A. Open House and College Night.

The Student Council seeks to achieve its educational potential and strives for greater effectiveness.

tesy." The Boasting Boosters collect class dues, plan class parties, and plan and choose committees for the Junior-Senior Prom. The Prom is our main objective this year. We plan to make it "better than ever."

Key

Key Club International is a Kiwanis-sponsored service organization for outstanding high school boys who have a 2.5 or better scholastic average. A Key Club member pledges on his honor to build his home, school, and community; to serve his nation and God and combat all forces which tend to undermine these institutions. The objectives of Key Club are: (1) To develop initiative and leadership; (2) To provide experience in living and working; (3) To serve the school and community; and (4) To prepare for useful citizenship.

Projects for the year are ushering at football and basketball games, a traffic safety and seat belt campaign, operation of a coat-check at dances, assistance with a book drive, contributions to such establishments as the Salk Institute, The Jane Plummer Memorial, and the Licking County Children's Home, a Key Club basketball team, an induction and an installation banquet, the annual Spring Dance, and a trip to Columbus to the All-District Convention and Pittsburg to the International Convention.

Theta

The main purposes of Mu Alpha Theta are the following: to engender a keener interest in Mathematics, to develop sound scholarship in the subject, and to promote enjoyment of the field of mathematics. The group achieves its objectives through speakers who use mathematics daily, student participation, filmstrips, movies, and tours.

Our most impressive meeting annually is the formal initiation which is a candle-light service held in a local church. Mu Alpha Theta sponsors an informal initiation, a Christmas party and a picnic in the spring honoring senior members.

This year the Mu Alpha Theta Regional Conference was held on our own campus, and Newark members hosted over-night guests from all sections of Ohio and Pennsylvania. "Preview and Practice of College Mathematics" was the theme of the two-day conference during which time we had speakers from Ohio State University, Denison University, Owens-Corning Fiberglas, Kaiser Aluminum, and the Newark Air Force Station.

The actual practice of mathematics was demonstrated by the speakers, whereas the preview of college mathematics was covered generally by the sectional meetings such as modern algebra, non-Euclidean geometry, probability and statistics, topology, electronic computers, and advanced placement.

The goal of the Future Teachers' Club is fundamentally steering prospectives in their venture toward understanding the aspects of teaching. This is accomplished through exploring teaching requirements, by means of films, and by contact with competent people in different departments of local educational systems.

This year a big event on the agenda was Future Teachers' Senior Day, in which fourteen senior members were assigned for a day to various schools in the system.

Debate at Newark High offers the participant many rewards, such as the ability to think on his feet, the ability to examine both sides of a question logically and clearly, a comprehensive understanding of topics of international importance, and the opportunity to go on many challenging and enjoyable debate trips. This year's debate team boasts six veterans from last year, two of whom debated in "A" division. Also on the team are many promising sophomores.

The Last Word . . .

At the close of another school year as the seniors leave for the last time to enter a new life, they leave a place for those who will follow in their footsteps. We, the staff, hope that this annual will bring back memories to the graduating seniors, as well as all of us, and as the years progress we may look back upon this year as an important part of our lives.

We wish to express sincere appreciation and gratitude to everyone who has made the publication of this book possible.

The 1963 Reveille Staff

Linda,
 Jo-a
 real sweet gal
 who has to substitute
 for Julie in carrying
 my books. Always
 remember "French Class"
 and "Homework" but best
 of all don't forget me!
 Good luck in N.H.S. (though
 you don't need it) and always
 remember good ole R.I.H.S.
 Patty Morrison
 "63"

Linda,
 Remember the
 good old times
 in 308 with
 you! Keep happy
 and think me the future
 friend! (?)
 Love, Bob

Lovey Kinkead

Linda,
To a real
sweet kid who
has been a friend
for a long time. Remember
all those good times at
B.Y.F. and at the summer outings.
When we move I'll miss you.
Good luck always, Edick

Linda,
To a
real sweet
girl, I will
never forget. Love
Linda and ~~Bob~~ and ~~Bob~~. But
I don't forget me. Remember
all good times and all the fun
we had. A real friend
